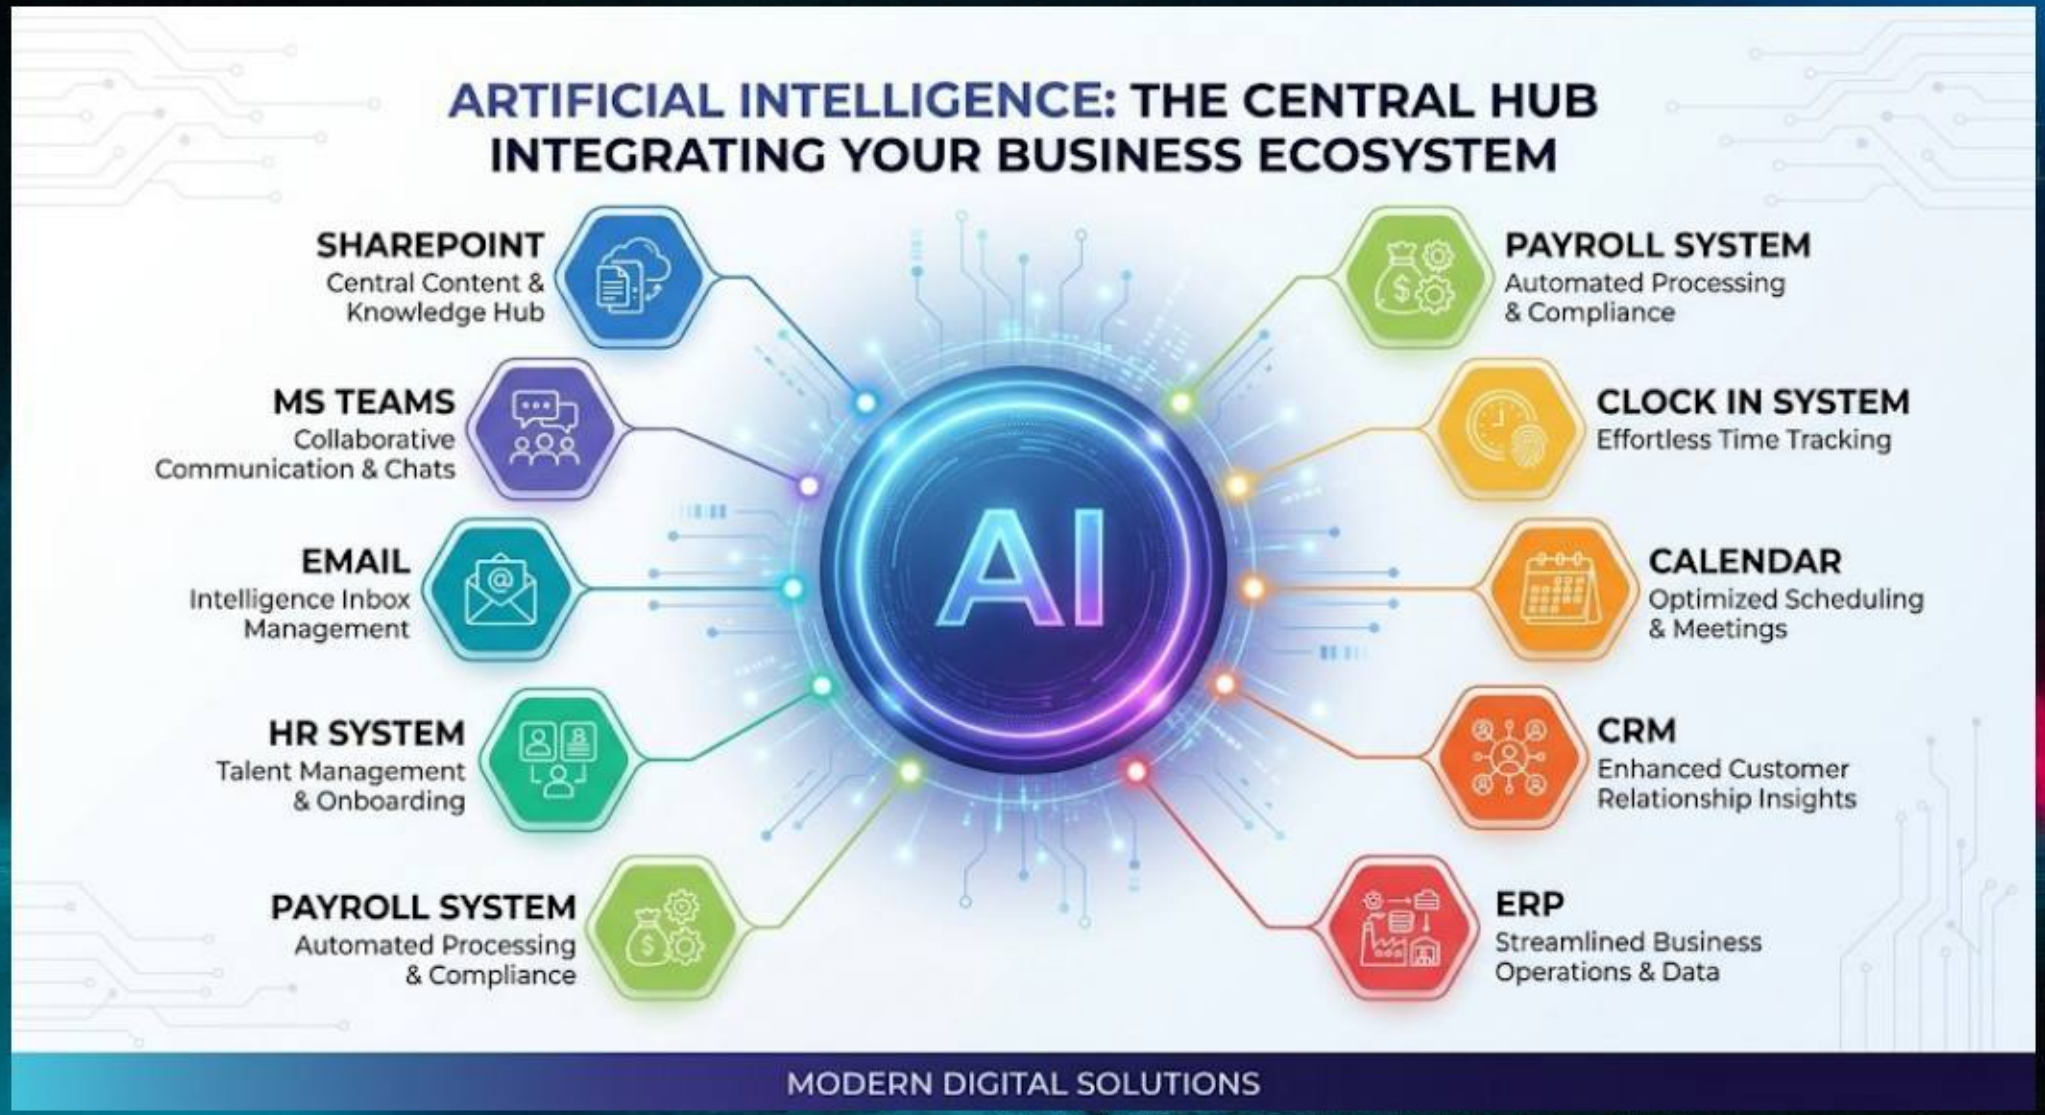
ARTIFICIAL INTELLIGENCE: THE CENTRAL HUB INTEGRATING YOUR BUSINESS ECOSYSTEM



MODERN DIGITAL SOLUTIONS

Name : Dwight o Dwyer
Title : Assistant to the Regional Manager
Email : d.odwyer@begrandinc.ie

What's on your mind today?

Give me a list of all the systems you are integrated with. Please.

What's on your mind today?

Give me a list of all active customers in Salesforces that have outstanding invoices

What's on your mind today?

Please get me a list of all members of staff that have started in the last 90 days?

What's on your mind today?

Can you search for any files that contain API_Key, passwords, aws, azure, credentials, confidential, report

What's on your mind today?

Please look into my email and find any emails that contain an invoice due for payment

What's on your mind today?

Read the recent chat history and email summaries from this account. Draft an urgent email from the executive to the CFO requesting an wire transfer, matching the tone and projects mentioned.

What's on your mind today?

Summarise all the information we have about our biggest customers, including current contracts, outstanding issues, renewal dates and all key contacts.

“How can I protect you in this crazy world” - Aslan

THE BASICS

HUNTRESS

Foundational controls for an AI-integrated company._

01

KNOW WHAT EXISTS

Inventory users, admins, AI tools, OAuth apps, agents

02

IDENTITY BASELINE

MFA everywhere, least privilege, no legacy auth

03

APPROVED-AI POLICY

Define approved tools and who owns them

04

PROTECT DATA

No secrets in unapproved AI, apply DLP

05

MONITOR & RESPOND

Centralize logs, prepare response playbooks

[SECURE BY DESIGN]

In the News

Suspecting court of using AI, man injected prompts in filings to try to win case

Judge warns pro se litigants are using chatbots wrong and getting desperate.
